

California Transmission Planning Group

All interested parties,

The Technical Steering Committee of the California Transmission Planning Group (CTPG) will host a stakeholder call and web conference on December 17, 2009 to discuss the study plan. The call will provide stakeholders with an opportunity to understand and discuss the current CTPG study plan. The meeting agenda as well as preliminary study information can be found at the CTPG website at <http://www.ctpg.us>. Stakeholder comments on the study plans are welcome through the website prior to the stakeholder meeting.
