

All interested parties,

The CTPG has posted the Draft Phase 4 Study Plan to the CTPG website at <http://www.ctpg.us>. The CTPG invites stakeholders to participate in a stakeholder input conference call on September 30, 2010. The Phase 4 Study Plan represents the final phase of the combined efforts of the CTPG and stakeholders to prepare a 2010 California State-Wide Transmission Plan to facilitate the ability of the state to meet its 2020 RPS goal. The CTPG looks forward to the continued valuable input from stakeholders.
