

**California Transmission Planning Group (CTPG)
May 19, 2011 Stakeholder Meeting**

CTPG Technical Study Team Response to Comment

Originator: California Energy Commission Staff

Topic: Public Access to CTPG Executive Committee Meetings

Submission Date: May 20, 2011

Comment:

Please consider adding a Listen Only conference call-in number for stakeholders. This would allow stakeholders who cannot attend the meeting in person the ability to listen in and keep up-to-date on CTPG activities.

CTPG Technical Study Team Response:

The CTPG Technical Steering Committee will refer this comment to the CTPG Executive Committee for their consideration.
